

## Airwave – Terms and Conditions v1.4

VoIP Unlimited is required by Ofcom to communicate the following advisory statements to all telecommunications service customers:

If the broadband Connection that a VoIP service depends on fails, the voice service will also fail.

If there is a power cut or failure in the connected telephone system, any associated broadband connection and voice service may also fail.

Broadband connection and power supply failures are caused by reasons outside the control of VoIP Unlimited.

If the broadband connection that a VoIP service depends on fails for any reason, the service cannot be used to make calls to the emergency services numbers 999 and 112.
